

NOVEMBER 2016

INCREASE IN NATIONAL LIVING WAGE FROM 1ST APRIL 2017

The Government's new National Living Wage became law on 1 April 2016.

If you're working and aged 25 or over and not in the first year of an apprenticeship, you are legally entitled to at least £7.20 per hour.

From 1 April 2017, the National Living Wage will increase from £7.20 to £7.50.

If you're an employer, you need to make sure you're paying your staff correctly, as the National Living Wage will be enforced as strongly as the current National Minimum Wage.
